Learning Outcomes

#	Learning Outcome
1	Can utilize drawing techniques
2	The student can draw organic (natural) and inorganic (artificial) objects using line techniques.
3	Can draw portraits using line techniques.
4	Can perform figure drawing using drawing techniques.
5	The student can create volume in their drawings by applying light and shadow using line techniques.
6	Can create volume for organic (natural) and inorganic (artificial) objects using light and shadow.
7	The student can create volume in portrait drawing by using light and shadow.
8	The student can utilize proportion, various types of lines, and light-shadow elements to transfer object and figure drawings onto paper using line work.
