Learning Outcomes

#	Learning Outcome
1	The student can define words used in professional and everyday language both in writing and orally.
2	The student can identify the sections and the genre of the text they have read.
3	The student can identify the main and supporting ideas of the text they read.
4	The student can plan the text they will write by considering the characteristics of the different sections of the writing.
5	The student can write a text by determining the appropriate writing genre based on the purpose of writing.
6	The student can correctly apply syntax and spelling rules in their written texts.
7	The student can ask and answer questions using various interrogative words and question particles.
8	Distinguishes between main and supporting information, and expresses the given information by sequencing it verbally and/or through sign language.
9	Mesleki konuya ilişkin açıklama ve ayrıntı gerektiren sorular oluşturur, sorar ve verilen yanıtları sözlü ve/veya işaret dili ile ifade eder.
10	Compares different perspectives and expresses their own opinion—verbally, in writing, and/or through sign language—supported by professional knowledge.
11	Determines the meaning and usage characteristics of idioms according to context and expresses them through speaking, writing, and/or sign language in appropriate communication situations.
12	Organizes professional information and expresses it using appropriate vocabulary, syntax, and style of delivery through speech and/or sign language.
13	Organizes information expressed through oral, written, and/or sign language, maintains connections, and conveys it in various forms.
