Aims of the Course	The objective of the German I course is to ensure that students learn the basic structures of the German language at the A1.1 level, as well as the fundamental vocabulary and expressions used in daily communication. Within the scope of the course, it is aimed for students to acquire basic communication skills such as introducing themselves, providing basic information about others, greeting, saying goodbye, expressing numbers and time, and constructing simple sentences regarding daily life and routines. In addition, the course aims to develop students' basic-level listening, speaking, reading, and writing skills.
